MASS MEETING CALLED

To Consider the Question of Buying the Water Works by the Corporation.

M. A. Conference—Young Lady Held Up by Footpads—Sacred Heart Academy Commencement Program.

The question of the buying of the Ogden Waterworks system by Ogden city has been the source of unlimited discussion during the past few weeks, and many different opinions have been expressed as to the advisability of the proposition. Saturday afternoon Mayor Browning, President Thomas of the city council, Angus T. Wright, A. B. Patton and William Glasman engaged in discussion of the matter at the Weber club, but they could not agree on the proposition, and the other two were against it, so it was agreed by the five to hold a public debate on the proposition to present their respective ideas before the public and let them choose. The following call has been issued:

MASS MEETING.

A public meeting of the citizens of Ogden is hereby called, to be held Tuesday evening at 8 o'clock sharp, at the opera house, for the purpose of discussing the advisability of buying the Ogden waterworks by the city of Ogden. BOLD HOLDUP.

A very bold holdup was committed Sunday morning at about 2 o'clock, when Miss Mabel Grey, a young lady who resides on Wall avenue, was stopped by two ruffians, the young lady was going up town for a physician, as one of the family was very ill, as she was hurrying along Wall avenue near the corner of Twenty-fifth street two men stepped in front of her from the sidewalk and one of them pointed a pistol in her face and ordered her to keep still while the other one searched her clothing. Finding nothing, they demanded the young lady's purse, which she handed over without a word. The man then turned and ran, and the other man followed him. The young lady proceeded on her errand, and also notified the police, who are now looking for the holdup men. The young lady proceeded on her errand, and also notified the police, who are now looking for the holdup men. The young lady proceeded on her errand, and also notified the police, who are now looking for the holdup men.

M. A. CONFERENCE.

The quarterly conference of the Y. M. and Y. W. M. associations of the Weber Stake was held yesterday in the Ogden tabernacle. Two sessions were held, at 2 and 7:30 p. m. A very interesting program was carried out at both meetings. The reports read showed both associations to be in a very progressive condition; that during the past year the attendance at both of the young men and ladies has been materially increased, and the course of study mapped out at the beginning of 1900 and 1901 year has been completed. One special feature of the evening program was the talk on singing by Apostle Heber J. Grant and his singing "The Holy City," also "Who's the Lord's army?" and "The Lord's army" was sung by the choir, and was enjoyed by all present, and was an evidence of the old proverb, "Practice makes perfect."
